

ST. THOMAS OF CANTERBURY C OF E JUNIOR SCHOOL  
“Realising the potential of every child within a caring, Christian community”

## History Intent Statement

It is our intention that at St Thomas of Canterbury Church of England Junior School we will ignite a lifelong love of history in which children are intrigued to learn about the lives of people who lived in the past, thus equipping them to think critically about the present.

Through a varied history curriculum children will learn to value their own and other’s cultures and, by considering how people lived in the past, they are better able to make their own life choices today. It is our intention that children will develop the skills of enquiry, analysis, interpretation and problem solving; while building a sense of chronology of British and World key eras and events.
