

ST. THOMAS OF CANTERBURY C OF E JUNIOR SCHOOL
"Realising the potential of every child within a caring, Christian community"

SEND Intent Statement

At St Thomas of Canterbury Church of England Junior School, all children are equally valued, we strive to eliminate prejudice and discrimination, and to develop an environment where all children can flourish and feel safe. By appreciating and valuing the best efforts of every child in all aspects of school life, we are ensuring they realise their full potential.

It is our intent that educational inclusion is about equal opportunities for all learners, whatever their age, gender, ethnicity, impairment, attainment or background. We are committed to giving all our children every opportunity to achieve the highest of standards academically, socially, morally, spiritually and culturally.

We provide educational experiences that take into account the individual needs of children, appropriate to their level of ability. Teaching encourages children to develop as independent, confident, successful life-long learners with high aspirations, who know how to make a positive contribution to their community and the wider society.
